Your comments will be welcome, read, and considered carefully . . . and will remain anonymous when reported to policy makers at your school (as will all the data obtained via this questionnaire).

Please use the space below to comment on what your school could have done to improve your undergraduate experience or what you wish you had done differently, or both.

Please use the space below to describe the most important outcomes of your time as an undergraduate. Where possible, be specific about how your college or university contributed to these accomplishments, changes or other developments.

Please use the space below to elaborate on any of the questions above (refer to the question by number) and to comment on any other aspect of your undergraduate experience not covered in this questionnaire.

Please answer the following questions in Part F on the last page of the questionnaire.

How easy or difficult has it been for you to do each of the following at your college or university? Please mark "1" for very difficult, "2" for fairly difficult, "3" for fairly easy or "4" for very easy. If the task has not been important to you, please mark "5".
