

Default Question Block

Greetings and welcome to Cornell! Responding to the New Student Survey won't take very much time (about 10 minutes). Your answers are essential to better understand how new undergraduates think about the college experience at Cornell.

We take your privacy very seriously. Results from this survey will never be reported in any form that would identify you as an individual. If you find a question that you don't want to answer, just skip it and go on. We still want to hear what you have to say about the other topics.

Thank you, in advance, for completing the Cornell New Student Survey.

At this very early stage, please share any of the majors you are considering at this point. We know that this may change, and can be different than what you indicated on your application.
